1. The Russian General Management of SAG Agfa Wolfen has dictated certain contract changes to the German management of the plant. The plant is required to deliver an additional 500,000 square meters of color film, 200,000 square meters of black and white roll film, and 40,000 square meters of technical film.
2. The State Committee for Material Procurement has authorized up to 22 October 1953 the additional delivery of 550,000 square meters of color film and 40,000 square meters of technical film. Of this amount, 150,000 square meters of roll film and 40,000 square meters of technical film, 200,000 square meters of positive color film and 300,000 square meters of black and white positive film are to be charged against DIA-Chemie. The balance of the demands are to be met from production in excess of planned production.
